

Atomic is one of the leading manufacturers of wintersports equipment and part of the Amer Sports Corporation. For our head office in Altenmarkt im Pongau / Salzburg we are seeking at the earliest possible date:

CUSTOMS AND TRADE SPECIALIST (M/F/D)

As Customs & Trade Specialist you will be a member of the Global Tax Department, working in the Amer Sports' Customs Operations D-A-CH Team located in Austria & Germany, responsible for Customs Compliance & Operations. In this role you will ensure Customs & Trade (import and export) activities of Amer Sports in Austria are fully compliant and performed in accordance with the applicable customs laws, regulations, and related internal procedures with the aim to achieve best-in-class performance.

KEY MISSION AND ACCOUNTABILITIES:

- Perform daily customs operations by preparing and executing customs declarations (import and export)
- Control and support of customs operations handled by external brokers
- Monitor customs operations (internal/external) and resolve detected or addressed customs operations issues, related to customs regulations
- Manage and supervise preferential and non-preferential origin declarations by our vendors as well as for our customers
- Strong collaboration with the local Customs Team, local Warehouse Team, and other Amer Sports' Departments (such as Export Team) to provide excellent support and advice related to Customs' topics
- Being an integral member of the Global Customs team and wider Tax Department
- Manage process improvements resulted of regularly performed process and data analysis with the aim to achieve operational excellence
- Manage your ongoing professional development by continuous education/training in alignment with your Manager and keep up to date in customs operations knowledge
- Being the local expertise for Customs matters, especially for the Winter Sports Brand Atomic

YOUR PROFILE:

- Commercial Apprenticeship with International/Logistics Focus and according practical experience or Bachelor Degree in Logistics/Supply Chain Area
- Relevant experience in international trade compliance area with knowledge of customs & trade regulations in a medium to large size company
- Proficient in import and export processes and formalities in Austria
- Knowledge of customs law, regulations, and policies applicable in Austria/EU
- Good language skills in German and English, both written and spoken
- Willingness to travel occasionally
- Proficient in standard IT skills (MS Office), skills in SAP ERP and/or SAP GTS is a strong advantage

REQUIRED COMPETENCIES:

- Team player with strong communication skills
- Self-starter, self-organized – able to spot issues and react positively, escalating as necessary
- Sensitivity to other cultures and ability to effectively work in a multicultural environment
- Ability to multi task and to priorities under pressure and within timeline constraints
- Strong in collaborating, capable of both teamwork and working independently
- Strong integrity and ethics as well as a strong sense of accountability
- Conceptual, analytical and problem-solving skills

WHAT WE OFFER:

- A varied, demanding and self-responsible activity in the sports industry
- Comprehensive development and training opportunities
- Flexible working hours and home office possibility
- Attractive social and employee benefits
- Canteen on site

Compensation for this position is subject to the collective agreement for employees in the wood processing industry. Depending on your personal qualifications and vocational experience, we offer an appropriate payment in excess thereof for this highly responsible activity and opportunities for development in a globally active group of companies.

If the scope of these responsibilities meets your expectations, please be welcome to apply [online](#) with all usual application documents.
